

Drunken Beauty Winery Clothes Global

In the 21st century, Changyu Company has embarked on a global enterprise strategy. In 2009, Changyu integrated global capital and technology to establish the Changyu Pioneer International Winery Alliance with Centennial Changyu as its core, which includes domestic Changyu Castel Chateau in Yantai, Beijing Changyu Aifei Fort International Winery, Liaoning Changyu Golden Ice Valley Ice Winery, Shaanxi Changyu Ruina Castle Winery, Ningxia Changyu Moselle XV Winery, Xinjiang Changyu Babao Baron Winery, and Sichuan Changyu Pioneer Winery in Italy and other foreign wineries.

Since 2013, Changyu Company has conducted on-site inspections and discussions, and has successively invested in and acquired the French Winery of F é langdo, the Spanish Duke of Io Group, and the French Winery of Miranda. French media outlets such as Southwest Daily, French Finance magazine, French Wine Review magazine, French Wine World magazine, and British Beverage Business magazine have all made relevant reports. In 2017, Changyu Company invested in the acquisition of the Chilean Bass Winery, further advancing its internationalization path.

Walking into the winery, you will be intoxicated by romantic European architecture and beautiful vineyards. Such an environment will certainly attract many film and television producers and variety show producers to come here for filming, such as "Let's Get Married", "Eastern Battlefield", "Jedi Run", "Baby in Chief", "Long live Madam", "Challenger League", "Running Brothers", and so on. The "Drunken Beauty Winery" really makes visitors beautiful and intoxicated. Wineries in various regions have become a business card for local industrial tourism.
